LARBIG'S WIDOW SUES

She Demands \$5,000 on Her Husband's Accident Insurance Policy.

A Verdict for Her Would Result in a Strange Complication.

Darwin J. Meserole Would Be Made Guilty of Murder, of Which He Was Acquitted.

Mrs. Theodore W. Larbig, widow of the Brooklyn, last June, is suing the United States Mutual Accident Association for

amount of the policy, and a decision in her favor will result in a curious state of affairs. it would practically be that a civil jury day may result as follows: found Darwin J. Meserole guilty of a murder of which a criminal jury had found him guilt-

When an Evening World reporter to-day called at the offices of the United States Mutual Accident Association, 320 Broadway, to learn upon what grounds Mrs. Larbig's claim

Bro. Smith, the Association's counsel. "If Meserole had been convicted of murder." said Mr. Smith, " we would have paid Mrs. Larbig's claim without besitution.

"If a man goes into another man's house and starts a light and gets the worst of it. "The defense in Mescrole's trial was that

Larbig was shot in self-defense. The jury found a verdict to that effect, and therefore under the clauses in the contract Larbig had violated his policy.

Our policy insures against death by accident or upprovoked assault. All accident policies except fighting, quarrelling and duclling. When a man is killed or injured in a fight it is not up accident.

"It a man was killed by a burglar, in a house breaking, we would pay the amount of the policy without question. It has been decided h half a dozen cases that when a mun was injured intentionally by another it was not

"According to the testimony on which Meserole was acquitted Larbig assaulted Dovie Comstock, with whom Meserole was boarding. When Meserole attempted to proteet her be also was assaulted and then shot Larbig in self-defen

"Upon the verdict of the jury on that ony we contest Larbly's policy." Larting's accident policy for \$5,000 was taken out in May, 1891, only a few weeks be-

fore he was shot. Mr. Smith said it was expected to get in Mrs. Comstock's deposition substantially the to-day was won by Clarence. same testimony which she gave in court, and upon which it was generally admitted Mese-

role was acquitted. It may also be necessary to make Meserole a Witness in the Associa-

Larbig's counsel, and is representing her in caused a fire and damage of \$500 this morn-this suit. He is very confident that Mrs. Larbig will

The policy says that If the insured come

to his death by violent and external means the policy is payable," said Mr. Campbell by violent and external means. That is a much as I care to say about our side of the e," be added.

Darwin R. Meserole is now a missionary i Brooklyn and a member of Dr. Lyman At bott's church.

Mrs. Davie Comstock, in whose affection Meserole had supplanted Larbig, whose jeal oury brought him to a violent end, is now said to be living with her father, D. C. Forney, i. Washington, D. C. It is reported that sl also has reformed Mrs. Theodore W. Larbig lives with her tw

STANDARD OIL PROFITS.

Companies and Shareholders in the Trust to Divide Many Millions.

This action was taken in

The other companies whose capital is to be raised are: The New York Standard, from \$5,000,000 to \$7.000,000; the Indiana Compapy, \$600,000 to \$7,000,000; the Indiana Company, \$600,000 to \$4,000,000, and the Atlantic Refining Company, of Pennsylvania, \$1,000,000 to \$4,000,000. These increases of capital would leave \$15,000,000 to be distributed among certificate-holders.

The profits of the Standard Olf monopoly are enormous. The exact amount of the income has always been a carefully guarded secret. The Trust has never been compelled end the existence of the Ludiow Street Basby law to make full reports of its business, but those who have means of knowing say that the undivided individual profits amount to the attractive figures given above.

TWO OLD-TIMERS GONE.

Samuel Drake Barnes. The deaths of two old New Yorkers were anounced this morning.

Charles Coteworthy Pinckney, who was one over the building to the Custodian of Public of the first Fire Commissioners when the paid Fire Department was organized and the first President of the Board, died suddenly yesterday in Dr. J. H. Balley's office at 71 Broadway. Mr. Pinckney was in the real estate a mis business and had an office in the same buildinz. He was born in this city in 1820, but recently had been living at 45 East New York avenue, Brooklyn.
The other death was that of Samuel Drake

The other deals was that to sander the farnes, a relired from merchant, who lived at 226 East One Hundred and Twenty-fourth street. He was born in this city April 24, 1800. He introduced the first coal stove into New York. The funeral will be held from his late residence at 3 P. M. to-morrow.

Awaiting the Majestic.

The Fleet Steamship's Arrival Is Expected at Any Moment.

Great Anxiety to Learn if the Men Have Fought on Shipboard.

QUARANTINE, S. I., March 23-9. A. M.-Report of the sighting of the White Star liner Majestic off Fire Island has not yet been made, and anxiety in the waiting throng of friends and reporters as to the outcome of the deadly quarrel which began between J. Cole. Col. Bitss pulled the levers and manipulated man Drayton and Hallett Alsop Borrowe on the other side, and which may or may not terests. have been continued after the enemies found themselves together on board the steamship, is roused to the keenest pitch. Quarantine was this morning the centre of interest for all those who are watching and waiting for the arrival of the Majestic, for it is here that the first information regarding the happenings of

the voyage must be obtained. Many rumors were flying about this morning regarding alleged schomes of the friends of both brayton and Borrowe to spirit the men away from the Majestic before she

BAY FULL OF MYSTERIOUS TUGS. During the night several mysterious turs. said to have teen specially chartered by one party or the other, have put in at the quarantine dock.

Flying visits were made by mysterious gentlemen to the telegraph office, where operators were on duty all night, and then the vessels puffed out again into the harbor. None of them has yet returned, and it is reported that they are lying down the bay in the vicinity of Sandy Hook. Several newspaper tugs were waiting all

night for the incoming steamship, ready to put out to meet her at the first warning of her approach. Since midnight the weather has been gradually thickening, although it is now compar-

unity thickening, although it is now comparatively clear in the harbor and upper bay. A heavy tog bank lies low along the water-line outside the bar, making it impossible to distinguish even the forms of vessels at a distance.

CREFING IN IN THE FOG.

It is believed that on this account the Majestic may escape the notice of the look.

This, it is said, often happens in thick weather.

The Roeber-Robinet Match Off. The Graeco-Roman wreatling match between Ernest Roeber and August Robinet which was to have taken place in Central Rev. Charles R. Treat Called as Turn-Verein Hall to-morrow night, is off. him that he would not be able to wrest two of his ribs had been broken while

. ONE . PRICE, LETS IT, THROUGH THE WORLD'S REAL ESTATE INDEX.

Economical and effective is THE WORLD'S REAL ESTATE INDEX not let it through THE WORLD'S REAL ES-WORLD'S REAL ESTATE INDEX.

MT. VERNON A CITY.

Gov. Flower Makes Its 12,000 People Very Proud.

with Envy.

The Charter Signed by the Governor and Is Now a Law.

The " City of Mount Vernon" is the way 18 must be spoken of now. Gov. Flower has signed the charter

a city out of the beautiful village of Mount tend the mine pumps, and if the pumping is version, West and East Mount Version, stopped the mines will be flooded in a short. The three had a population of 10,830 according to the Porter census of 1890, and 12,000 according to the recent enumeration, and the people were tired of being a part of the town of East Chester.

the town of East Chester.

The people of the town of Mount Vernon were living under a dual government, town and village, and the village, being wealthy, had to pay much more than its share of the town of East Chester, besides the expenses of their own village gov It was a long fight between those who advocated this long step in progress and the staid and ultra-conservative old residents who preferred to remain villagers and rural-

Among those who opposed the creation of the city of Mount Vernon were Frank Wright, principal of a New York public school; Horses HYERER, March 23.—A stringent guard is Loomis, engineer in charge of New York's kept about the Hotel Costebelle, about two sewers, and George Crawford, President of

England is sojourning.

The Duke of Connaught, the Queen's third son, was approaching the hotel yesterday dent of the village, and all of the Board of when he was called upon to halt and was re-fused admittance by the guards, who did not Woods, Burr Davis and B. P. Ashley. When the "Greater New York Bill" was

BLACKHURST WINS AGAIN.

Pastor to St. Stephen's Church. St. Stephen's Church, on West Forty-sixth street, is to have a new rector. Rev. Charles Roeber claims that he is entitled to the accepted a unanimous call from the vestry of raining expenses. He is willing to make a street, is to late thurch of the Archangel, has accepted a unanimous call from the vestry of staining expenses. He is willing to make a street, is to late thurch of the Archangel, has accepted a unanimous call from the vestry of staining expenses. He is willing to make a street, is to late thurch of the Archangel, has accepted a unanimous call from the vestry of staining and will succeed Rev. A. trea too ili to officiate regularly.

This is considered another victory for warden James Blackhurst, who successfully opposed Sishop Potter's plan to consolidate at Strphen's with Holy Trinity Church in Markey.

Harton. Blackhurst went into court, accused Nov. Mr. Hart of packing a meeting for the election of vests, men and finally thwarted Ternely Told Tales of the Town lone fuller has been refused an injunction by design (inspeciel to restrain Rudolph Armaon, of the Casino, from exhibiting histographs of her ser-cent in dance. portio dame.
Cast, trying of the White Pter steamer Tentants, which has arrived at Onesessiand, reported that d. I. Fongs, a commenced traveler, of it waves as place, this city, tell corepharit and watermers, and W. E. Field, also of New York, distress appears a during the trange across.

Mrs. Henrictta Biruckerhoff did not appear to press for such for should divide the report to the control of the traveler of the traveler of the pury found a verdict for its Ernickerhoff.

That empty house is getting musty. Why the second degree for kitting Autore Ke will be extracted to Note prison for life.

Mrs. Adviside Major, twenty-six years old, of 250 Delantey freet, may die from Surva obe an crived by up cetting a toroxene lamp.
